

## COMPREHENSIVE RISK MANAGEMENT

Risk management is essential in today's economic market due to a variety of reasons including political climates, litigation costs, as well as sound business and governmental functions. Janus Global Operations is a licensed Risk Management Company (RMC), registered to perform Risk Management Services for Commercial and U.S. Government clients in Afghanistan. The span of Risk Management services we provide for our Afghan customers is tailored to suit the demands of the austere and often hostile environment of Afghanistan. Janus Global's comprehensive risk management program helps Government clients contain costs while identifying, minimizing or avoiding risks to property, interests and employees.

### CLIENT CHALLENGES

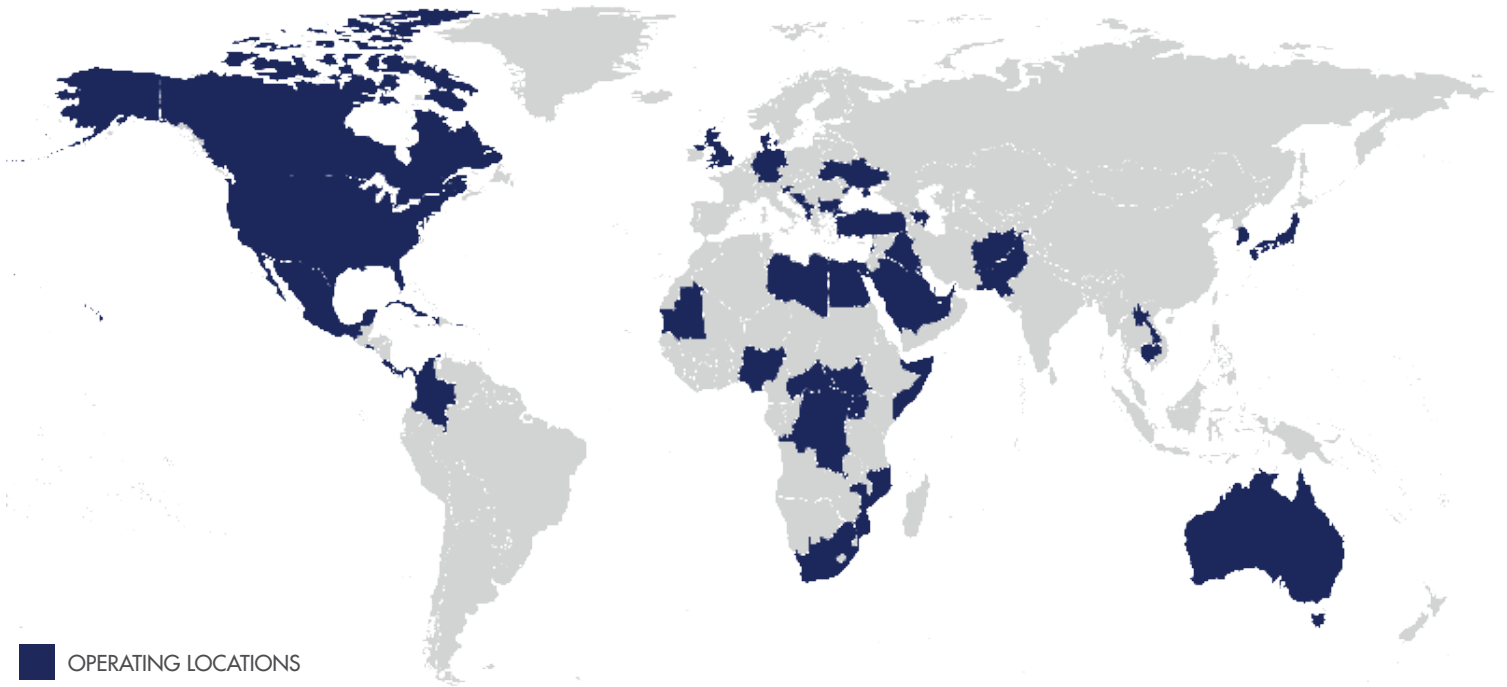

- Creating a risk focused environment that results in senior level staff ensuring proper attention is given to developing solutions
- Standardizing risk assessment and reporting, enabling an organization to properly analyze risks and the effectiveness of its efforts
- Insufficient visibility into Risk Management processes that impact business strategy and decision-making
- Duplication of tasks and cumbersome, resource-intensive processes
- Effective coordination of regulatory and compliance efforts

### THE JANUS GLOBAL SOLUTION

- **Risk Assessment Services** - Advisory, contracting and training services pertaining to security of individuals, governmental, non-governmental and private organizations.
- **Risk Analysis** - Detailed examination including risk assessments, risk evaluation and risk management alternatives, performed to understand the unwanted, negative consequences to human life, health, property or the environment.
- **Risk Treatment** - Management may select a variety of risk responses - avoiding, accepting, reducing, sharing, or transferring risk.
